

MATHEMATICAL SCIENCES AND APPLICATIONS

JOURNAL

Department of Mathematics
Universitas Jambi

Welcome to the latest edition of the Mathematical Sciences and Applications (MSA) Journal. We are honored to present this collection of cutting-edge research and innovative contributions from scholars and practitioners across the mathematical sciences spectrum. This edition contains five original research articles and one review article, contributed by scholars from diverse regions, addressing topics ranging from statistics and cryptography to meta-analysis.

The Mathematical Sciences and Applications (MSA) Journal stands as a peer-reviewed publication devoted to the fields of mathematics and statistics. It is proudly overseen by the Department of Mathematics, Faculty of Science and Technology, Universitas Jambi, Jambi, Indonesia. The journal maintains a biannual publication schedule, releasing issues every April and October. We enthusiastically invite a wide spectrum of manuscript submissions, including research articles spanning the disciplines of mathematics and statistics, comprehensive review articles, and Communications (by invitation from the Editors).

We extend our gratitude to the authors, reviewers, and editorial board members for their invaluable support in making this edition possible.
